Dear Joe,

I'm writing this letter to let you know how pleased we are with the job you just did at our house. The professional manner in which your crew conducted themselves was greatly appreciated. In particular, I'd like to mention Dave who went over and above the call of duty, in my opinion. In addition, the quality of the materials used, as well as the crew's workmanship, was quite superior.

I can safely say that I would recommend your company to anyone in need of a new roof or repairs.

Sincerely,

Joseph E. Hagan
